Remembering *Marilyn Nichols*

We were sad to hear that former president and long-term supporter of Delwood Community League Marilyn Nichols passed away in June. If you ever met Marilyn in person, you immediately felt her energy and enthusiasm. For a small person, she had a big personality that was matched by her generosity and kindness.

Marilyn and the whole Nichols family were involved in league activities from the very early years when Delwood was a developing community. Her husband Dick first served as chairman of the building committee for the hall, and continues to give hours of his time every month to maintaining the hall and rink shack. For many years, Marilyn was a very active volunteer, and did everything from coaching figure skating, helping out at ice shows and carnival events, and organizing activities for teens and crib nights for the adults. For many years, she was the go-to person to organize the paperwork and volunteers for the casino – a very important source of revenue for the league.

Marilyn's support and appreciation for the community league never wavered. She was at every annual general meeting, and was very helpful in sharing stories and information for the league's 50th anniversary celebrations in 2015. She always had encouraging words for anyone who gave their time to make the league and our community better. Marilyn was a wonderful example of how giving to others benefits everyone.

Our thoughts are with Dick; daughter, Janice (Randy) Molofy and children, Anders, Brock and Samantha; son, Cameron (Shauna) Nichols and children, Connor and Brett.

HIGHLIGHTS:

The U11 boys team had an exceptional season this year. They dominated the field of play both defensivley and offensively and came out on the right side of the scoreboard in all but 2 games during the regular season. They qualified for the Edmonton city championships which was held from July 3-8. In cities the boys dropped their first game 4-2 against Rio Terrace. They won the next two games against Laurier Heights and TRSA which qualified them to compete in the tier 4 gold medal game. The gold medal game featured a rematch against Rio Terrace where the boys won a nail biter 3 - 2 winning gold.

Congratulations to the U11 boys and their coaches for a great season.

Soccer Season

BOTTLE DRIVE:

This past May, the Delwood community league soccer program along with several community members held our 4th annual bottle drive which was once again a huge success. Our players and parents canvassed the Delwood community and helped raise over \$3,000 which goes directly towards our Community.

Thanks to everyone who participated in the bottle drive and thanks to all of our neighbours for supporting our Delwood community.

On behalf of the Delwood Community Soccer Program, Ann and I would like to extend a huge thank you to all of the coaches and managers who volunteered their time towards making this 2018 outdoor season a success. We know the commitment that it takes to coach and manage these young athletes. The development in their skills and memories gained throughout this soccer season would not happen without you guys being there for them.

Thanks to all of the parents for coming out and supporting the players, coaches and managers and good luck in the upcoming indoor season.

Fundraising Director Needed

Fundraising is an essential component to running our community. The funds we raise through our community events (e.g. craft sales, pub night, fall festival) help to turn the lights on and enable us to offer programs.

We also get funds for big projects from casinos and grants and we are fortunate to have other volunteers who coordinate these for us. We need a Fundraising Director to take on the "other" fundraising duties.

This person oversees the coordination of fundraising activities for the community. It is an essential position

on Delwood's Executive and we desperately need someone to take on this role.

If you are well organized and enjoy being part of a team, then this is the job for you.

Back to school safety

Alberta Health Services EMS would like to remind parents and students about some road safety tips, as streets become more congested, with the return of the school year. Pedestrians and motorists both have an important role to play – road safety is a shared responsibility.

Motorists

- Avoid talking on cell phones, texting, or any other behavior that diverts your attention away from driving;
- Give right-of-way to pedestrians who have activated overhead crossing lights, or who are waiting to cross from a street corner;
- Remember, it is illegal to pass vehicles - other than those that are parked - in school zones or playground zones, during posted hours.

Around school buses

- Flashing amber lights mean a bus is slowing down to stop – motorists should do likewise;
- No matter which direction you are coming from, STOP, when approaching a school bus with activated flashing red lights – unless the bus is on the opposite side of a divided highway from you;
- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

Pedestrians

- Cross only at marked crosswalks, or street corners that have clear visibility from all directions;
- Make eye contact with all drivers before crossing the street, and keep distractions to a minimum;
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop;
- Stay within the crosswalk lines until fully clear of the roadway;
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop;
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing;
- Remember: children learn by observing. By demonstrating safe crossing habits, you can reduce the chances of your child being involved in a preventable auto/pedestrian collision.
