Urgently Needed: FACILITIES DIRECTOR

Delwood Community League is in urgent need of a Facilities Director.

Delwood hall, the rink, rinkshack and the fenced asphalt area are all the responsibility of Delwood Community League. These facilities have been well maintained over the years with an attentive director, hall management, and executive. To continue to offer a great facility for community events and rentals, we need someone who has a flexible schedule and enjoys a bit of tinkering.

General maintenance and handy-person skills are useful, but no specific skills are required since the Facilities Director can call upon outside contractors for any specific maintenance tasks that come up. Groundskeeping, rink maintenance and custodial services are all taken care of by other individuals hired by the league. A key role of the Facilities Director is to coordinate the work of these contractors and workers.

Time commitments can vary based on ability, interest and time availability. There is one board meeting per month, and the Facilities Director will likely be checking in on the facilities at other points in the month as well.

We have an incredible executive with a great cross-section of skills and knowledge and a willingness to support each other and the community, making most events happen with ease. For more information please contact Craig at vp-operations@delwood.ca or call 780-640-5222 or Greg at president@delwood.ca or call 780-472-7864.

The many benefits of Community League Membership

Support your community league

Purchasing a membership helps Delwood Community League to host events, provide great programming and develop amenities in your community.

Dues collected from membership sales provide much needed funds for community leagues to accomplish their mandate of bringing community residents together, and improving the community and the quality of life for all residents.

Leagues accomplish this through organizing various recreational, educational and sport programming, hosting community events, developing amenities such as parks and community halls, and by being the voice of the community when it comes to civic engagement with the City of Edmonton.

What you get in return

Membership gives you the opportunity to know your neighbours through organized sport participation and community events.

Do your kids love soccer or hockey, or maybe all of you want to learn karate - your membership is your ticket to participation in organized sports and so much more.

Get to know your neighbours, get to know your community.

Your purchase of a membership provides you with reduced rates to city recreational facilities through the *Community League Wellness Program and gives you a voice in the shaping of your community.

Many leagues also arrange further benefits with local non-city amenities and businesses. In many cases, members get reduced rates on their community hall rental, so make sure to check with your league to see what else they offer.

Periodically, special events happen within the city and the organizers offer reduced ticket rates to community league members.

Purchase your membership

Become a member, learn more about your community league and get involved. The best way to create the type of community you want to live in, is to get active and get engaged with your neighbours and with your league.

When we all work together, we create safer, healthier and more enjoyable neighbourhoods - ones we are proud to call ours.

Fundraiser Freight's Garden of Souls

Fundraiser Freight (Yes, Freight, not Fright, because the kids wanted a name that would show we bring something to community, not just focusing on the scaring part.) started in 2013 with 9 people and has grown to over 52 people, ages 5-64. We start in February with teambuilding and by June we start props and costume design. All ages do all things. Everyone leads at some point. Making positive choices in life, respecting yourself and others, and taking responsibility are extremely important parts of life.

Our haunt is for everyone. We have a low scare area and even superheros to help overcome some of those fears and push limits a little. Some people come to our haunt for the scare of a lifetime, and we deliver. Last year we joined the Canadian Haunters Association and became a finalist in the Rookie Haunt of 2016, putting us in the "top 5 in Canada."

Our motto is "Anyone can conquer anything with a friend." Cancer patients can fight better and stronger with spirits lifted by a simple hello with a smile or hug.

Staying positive is key. The group has learned how important it is to stay positive as a group and to help one person each day share the vibe of strength and positivity.

Money raised goes to the Alberta Cross Cancer Institute, and clothing or donated items go to Diabetes Canada. Last year, we raised almost \$1800 for the Edmonton chapter of the Alberta Cross Cancer Institute and \$1800+ in clothing and household items for Diabetes Canada.

This year we are creating a Memory and Fighters Wall. We are accepting pictures to remember the ones that lost their battles and stand beside those currently fighting. If you have someone you want included, please send a photo by Sept 30. Email: fundraiserfreight@shaw.ca or mail: 7119 135A Avenue, Edmonton, T5C 2H7

If you have any questions or concerns, please email fundraiserfreight@shaw.ca. Follow us on Facebook under Fundraiser Freight for upcoming events and watch our crew continue to grow.
